Date: 2/4/2019

ATTENTION DOG WALKERS
Dogs must be on leash between your vehicle and the bridge. If off leash, dogs must be under voice control.
Dogs must be on leash on property owned by Groton Conservation Trust.
No dogs allowed on Groton School.

Refer to the NEFF website for other Community Forest recreation guidelines and regulations.
Trail distances are shown in miles.
Contour interval is 10 feet.

ATTENTION, DOG OWNERS

Please obey the following rules everywhere on this New England Forestry Foundation property:

1. Dog must have a current rabies tag and town registration on its collar.
2. Dog must be under your complete control. For example, the dog must come when you call it.
3. If dog is not under your complete verbal control, it must be on a leash.
4. You must clean up after your dog and place the dog waste directly into a trash can. Do not leave the bag on the trail.
5. You assume all risks if your dog is not under control and causes injury or threatens or harasses another dog or person.
6. Call the Groton Animal Control Officer immediately if you witness an incident involving a dog not under control: 978-273-3651.
7. If your dog attacks or injures another dog or person, you are obligated to give your full contact information to that person immediately.

Why?

• These are requirements of state and local laws.
• There have been numerous cases of dogs threatening and biting other dogs and people.
• People have not been cleaning up after their dogs. Dog waste transmits disease, fouls the land and water, and is unsightly.
• The river bank is eroding due to dog activity.
• These three private property owners are under no legal obligation to allow dogs here. If these rules are not followed, they may institute stricter rules.

On Groton School property, dogs are NOT allowed.

On property owned by Groton Conservation Trust, dogs must always be on leash & off the river bank. Please refer to the map for these locations.

Thank you for your cooperation!
